

Remote Witness Room

To whom it may concern,

Since the beginning on the Covid-19 pandemic and the worldwide shutdown, witness testimony in person has become impractical and unsafe. While the use of single-view webcams and laptop cameras have provided some relief the issue of "Room integrity" has been raised and poses a potential problem. PSI Services provides a secure, integrity-secured witness room that is available at all major centers across the country.

Hiring Costs:

Each room will be available for use at a cost of R 1,200.00 excl vat. The room will be available from 8:30am to 4:30pm. Should you require the room outside these hours please discuss with us.

Hiring Protocols:

- The room is to be booked via email confirmation and sent to witness@psiservices.co.za. A minimum notice period of 3 working days is required to confirm the room.
- The full amount due must be paid upon booking confirmation. No access will be granted without payment confirmation.
- **Cancellations** – a 50% refund will be applicable to all days NOT used.
- PSI Services will provide an on-site engineer at the beginning of each session to ensure that all systems are functioning. The engineer will return at the end of the day to close the system down and ensure no data is left on the system.
- An engineer will be available for remote support throughout the session should there be any technical issues.
- PSI Services will sanitize the table, chair, PC, screens, keyboard and mouse prior to each session.
